Provide additional comments on the format, focus or any changes you recommend.

#	Response
1.	No change required.
2.	Involve hospitalists more.
3.	Good event & venue.
4.	keep it up
5.	Thanks
6.	Excellent format with small group discussion
7.	It was good.
8.	Excellent substitute for our former socializing/networking - nice to see everyone
9.	Good format - short snappy presentations
10.	Keep doing P2P events
11.	New venue? Chaberton, Bedford House/Lamplighter, Seasonal 56
12.	Good.
13.	Not at casino - role models. Record and place on website and/or MP3
14.	It would have been good to ask for audience contributions/anecdotes for the various topics.

Topics you would like to see for a future P2P event.

#	Response
1.	More information on investing
2.	Discuss management of substance abuse or review resources in our community. (note incidentally it kills physicians too)
3.	How to prevent your patients from accessing ERs all the time. Keep office time for ER.
4.	relationships
5.	Let particular MDs talk about something they are passionate about - like a "Ted Talk"
6.	Investment advice/club
7.	Integrating new technology into office practice. Relationships with spouse, children, colleagues.
8.	Guest speakers on any topic, eg travel, food, sports
9.	40 - 60% of complaints to College of physicians are from MDs about MDs... what's with that?
10.	Share favorites for information (on division website) books recommended for patients, good websites, good handouts
11.	Mental Health
12.	Teaching the teacher - Dr. Dan Sugar fro the Development Centre. Mentor night - engage learner that are in community.
13.	Physician Health
14.	Encourage EMR in all members to aid in communication.
15.	Teaching residents & medical students. Addictions medicine. Palliative medicine.
