## What is FETCH?

FETCH is your online resource and “one-stop-shop” for everything that’s community health related and available to Mission residents.

Frustrated searching all over the web? Can’t find the right path to the services you’re trying to access? In need of:

- Health Professionals?
  - Support services?
- Community Programs?
- Government Agencies?
  - Social Services?

Visit the FETCH website and find it all in one place!

Don’t have access to the internet? No problem! Call our professional navigator and they will assist you in finding what you’re looking for.
