**Cowichan  
Maternity Clinic**  
*Now Open and  
Accepting Patients*

## *Providing full-service, family-friendly care for your pregnancy and the birth of your baby.*

### **Who is it for?**

Any pregnant woman who lives in the Cowichan region, including those with no family physician and those whose doctor does not provide maternity care.

### **Where is it located?**

This family-friendly Clinic is conveniently located in the Cowichan District Hospital, right beside the maternity ward.

### **What services does the clinic provide?**

The Cowichan Maternity Clinic is staffed by a team of experienced local family physicians, nurses and caring office staff that has come together to provide comprehensive maternity care in the Cowichan Valley.

### **The clinic will provide:**

- complete care for women throughout their pregnancies, births and up to six weeks post-partum
- convenient access to other hospital services such as labs and ultrasounds
- help coordinating connections to other services including public health and breastfeeding support
- pregnancy and parenting-related discussion and education
- opportunities to meet and connect with other expectant parents
