Representatives

6 Ministry of
Health
Representatives

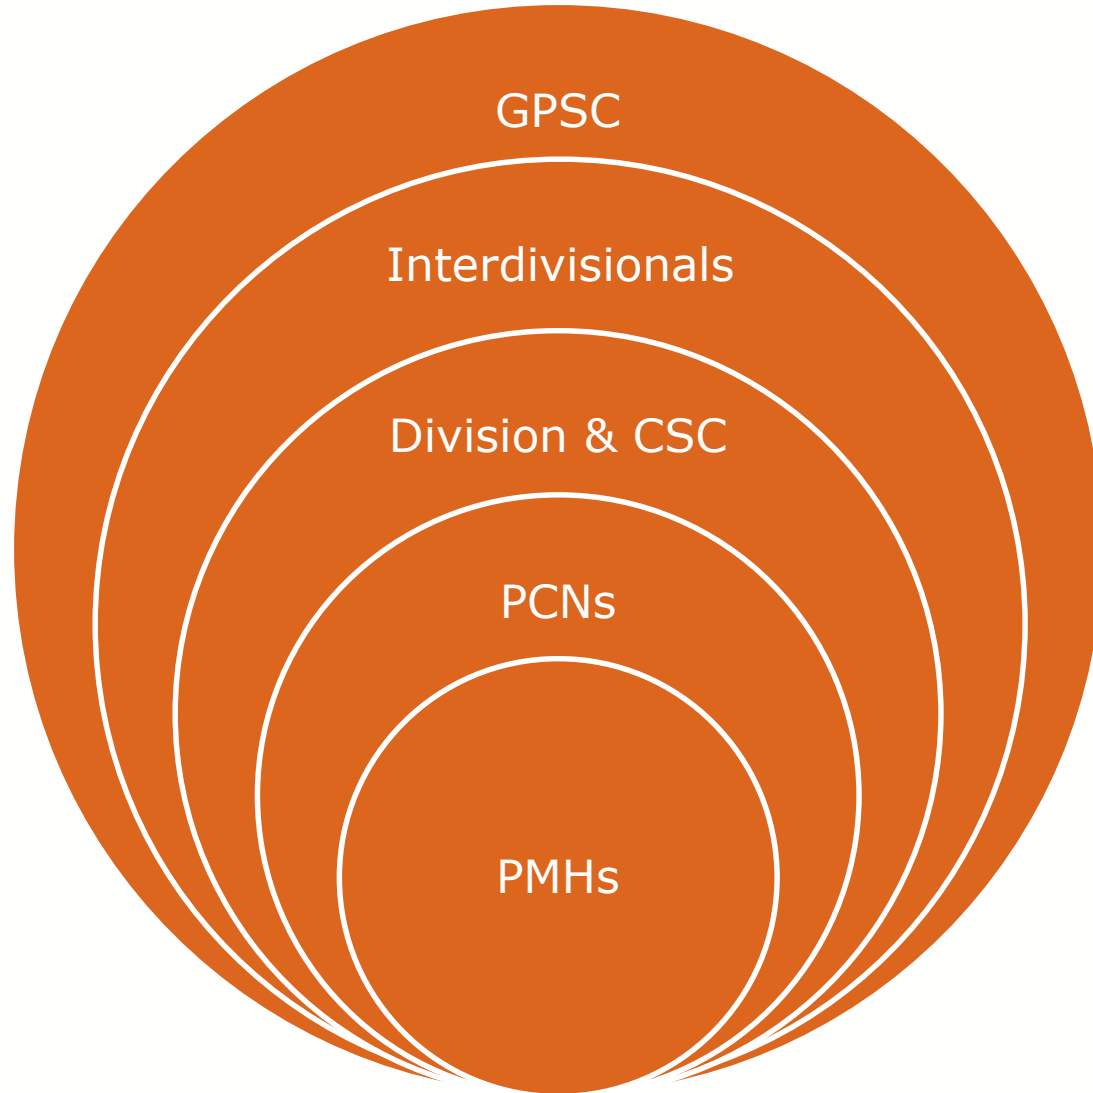

Invited Guests
(non-voting):

1 First Nations
Health Authority
Representative

5 Division of
Family Practice
Representatives

Society of GPs
Representatives

Support Staff

Some Considerations

- Vertical Integration – How do we define the mandate/decision making authority and accountability issues between each level
- How do we achieve effective vertical and horizontal integration within our governance structure?
- Manpower concerns – GPSC, Ministry of Health and Physician Leadership Capacity

QUESTIONS AND DISCUSSION
