

Don't have a family doctor or nurse practitioner?
Looking for one in your community?

CALL PAM

How does PAM work? (Patient Attachment Mechanism)

You call and speak to our Patient Attachment Coordinator.

You fill out a Patient Intake Form.
We may call you for more info once the form is submitted.

If needed, our team of family doctors and nurse practitioners will care for you until you are transitioned to a community practice.

9 am to 3 pm Monday to Friday
1-844-795-0034 Hope and the Fraser Canyon
604-795-0034 Chilliwack, Agassiz, and Harrison
